○ Mission

Continuously striving to provide unequalled standards and workmanship. We will at all times continue with our commitment to excellence and dedication in meeting the needs and expectations of all our customers.

CORE BUSINESS VALUES

- **Honesty:** In striving to provide high quality products and services, many businesses fall into the temptation of bending the rules in order to get what they want. We value the ability to provide only what we can without stretching the truth.
- **Customer service:** Clients are at the heart of Rockworld. We treasure close relationships with them in a bid to provide what they want and not what we want for them.
- **Team work:** We strongly believe in the principal of leverage in business which requires the use of other people's time, skill and money to achieve a universal goal. Through our vision we have been linked and synchronized in mind as a team to provide only the best products and services.
